## X-WAY WARNING Ducttape

(Art.no.: 44981, 44982)

### Short description:

2 coloured Signal-Ducttap (yellow/black and white/red) made of PE laminated synthetic cloth. The adhesive is synthetic rubber and solvent-free. The tape has excellent adhesion, is easy to tear off, weather resistant, good abrasion resistance and is waterproof. It's mainly used for marking, decorating and repairing.

### Technical Data:

Backing	PE laminated synthetic fabric
Adhesion	Synthetic rubber, solventfree
Total Thickness	0,165 mm / 165 my
Adhesion on Steel	8 N/cm
Tensile Strength	34 N/cm
Elongation at break	20 %
Application temperature	-10°C to +60°C

### Application:

These Signal-Ducttapes mark all dangerous spots and barriers indoor and outdoor. Excellent adhesion on smooth and as well on rough surfaces. Ideal for warn marking driveways, equipment, dangerous places, shelves, stairs, first aid boxes, barriers, machines, corners and edges as well as for various repairs and sealings.

### Conditions:

Store in a cool and dry place, away from sunlight and direct heat. As far as the storage condition are respected, the product is guaranteed 12 months.
