ALLRIGHT M SET

(Art.Nr. 70398)

Characteristics:

Handle: This brush series has a 2c plastic handle which enables due to those different kinds of plastic a much better grip feature and prevents of slipping off.

Ferrule: The ferrule is made of a brushed stainless steel and is completely fixed on the handle with clamps.

Bristles: A mixture of different synthetic bristle profiles guarantees almost for every usage a perfect result.

Application:

The stability and the stiffness are optimally suitable for water based paints and lacquers (VOC-compliant). The soft tips enables a perfect finish without splashing. The continuously color absorption and release insures a quick working and will convince every professional.
