TAIGA BLUE CORE

(Article number: 45842, 45844)

Short description:

This Masker is a perfect combination from a crepe tape and a high quality natron power paper.

Product data:

Material	saturated crepe paper	
Adhesive	natural rubber	
Total thickness	0,15mm	
Adhesion to steel	3,5 N/25mm	
Temperature resistance	until +80°C	
Paper		
Weight	35g/m²	ISO 536

Aplication:

The TAIGA BLUE CORE protects the surface against dashes, paint drops and other contaminations. It's only suitable for indoors. Remove the tape as soon as possible after work. Without the painting, the tape must be removed after 24 hours. It's essential to carry out a relevant test adhesion before doing actual work.

Conditions:

Store in a cool and dry place, away from sunlight and direct heat sources (23°C / 50% relative humidity). As far as the storage conditions are respected, the product is guaranteed 12 months.
