# DUCT TAPE “X-Way”, silver

(Articlenumber: 45799)

## Description:

Multi-Purpose silver Duct Tape of PE-laminated textile fabric cloth coated with hot-melt adhesive.  
 Suitable for reinforced wrapping of various pipes and objects, heavy duty packaging sealing, carpet joints seaming, repairing and affixing.  
 Waterproof, hand-tearable, and short-term UV resistance.  
 Very high initial and permanent adhesion for secure bond.  
 This tape sticks well on smooth and rough surfaces such as stone, concrete, wood and plastic.

## Product datas:

|                         |                                    |
|-------------------------|------------------------------------|
| Backing                 | LDPE-film + laminated cloth fabric |
| Adhesive                | Hotmelt                            |
| Mesh                    | 27                                 |
